

*PONT is a small charity in Rhondda Cynon Taf making a big difference in Mbale, Uganda.*

We work through direct community to community partnerships. Our success is based on long-term personal relationships that have become real friendships.

10 project links between professionals in Wales and Uganda touch many areas of life:  
 Livelihoods – Education – Community Health – Hospital – Ambulances – Engineering –  
 Churches – University – Environment – Wildlife Education Centre.  
 They're all about reducing the impact of poverty.

- ✓ We've trained over 1,500 health workers in rural villages. They save lives daily. Recently they helped prevent a cholera outbreak from spreading.
- ✓ Our motorbike ambulances make over 4,000 journeys a year, getting mums in labour, sick kids and injured people down poor roads to health centres or the hospital.
- ✓ Our goat project has helped over 2,000 of the most vulnerable families caring for orphans earn enough to provide shelter and nutrition and send them to school.
- ✓ Our university, councils, hospitals, engineers, 9 churches and over 100 schools in RCT and Mbale are building friendships and sharing resources.

We've found an approach that works. But for our life-changing work to continue and flourish, we need the support of the local community in Wales where PONT started. *Can you help?*
